

General Intercession
17th Week of the Year
July 24/25, 2010

Presider: We pray for one another's needs in Jesus' name, knowing that whoever asks will receive, whoever seeks will find:

Lector: That Church leaders will inspire us to deepen our prayer lives, we pray to the Lord...

That nations at war will lay down arms of destruction and move toward reconciliation and forgiveness, we pray to the Lord...

That those who work to bring daily bread to the hungry will be strengthened in their ministry, we pray to the Lord...

That we will more readily turn to God in prayer, we pray to the Lord...

That those who have died, especially Joseph Currin (**Kur-in**) and Marge Brielmaier (**BRILL-meyer**), that they will enjoy the brightness of God's place in heaven, we pray to the Lord...

That our gracious God will hear the prayers we hold in our hearts (***Pause—count to 10 slowly***), we pray to the Lord...

Presider: Loving God, your mercy reaches to the end of the earth. Hear our prayers and give us the strength to pray as your Son taught us. We ask this through Christ our Lord. Amen.
